HIGHLIGHTS

Great for your dive team or other people-mover needs!

EQUIPMENT

6 seats in box, on-board generator, Onan 6.5 GenSet, small refrigerator, onboard charger for shore power, scene lights, emergency lighting, siren.

a/c available but needs to be re-installed by buyer.

OTHER INFORMATION

Has gotten rescue divers to training & call outs with no issues, just sits very high & is a risk factor for older divers with full gear on.

Recent work done but still needs some work. Contact Firetec for details.
